

Join the Race to Mt. Olympus Challenge!

June 11 – July 23

Pass ancient ruins and sunken cities, journey into cool wooden valleys and explore ancient Greece on your way to Mount Olympus. Participants track their daily activity while enjoying one of Greece's most memorable treks.

HOW TO PARTICIPATE

- The goal is to log at least 8,000 steps per day for a total of six weeks.
- That equates to 56,000 steps per week for a total of 336,000 steps over the course of the challenge.

Record your participation at www.myinteractivehealth.com (Action Plan tab)

Unable to participate in this challenge?

Review your Personal Action plan to see all of the ways that you can earn points towards your incentive. If it is medically inadvisable for you to participate and you are unable to achieve your incentive through other activities, you might qualify for an opportunity to earn points by an alternative course of action (that, if you wish, will be developed with your doctor). Please contact Interactive Health no later than 4 weeks prior to the end of the campaign at (800) 840-6100 or at rasrequest@interactivehealthinc.com to request a reasonable alternative standard to qualify for the incentive.
